

323d Army Band “Fort Sam’s Own”

The Biohazard Brass Band

The Biohazard Brass Band is the 323d Army Band’s premier New Orleans-style Music Performance Team (MPT). Comprised of a mixture of brass instruments accented with woodwind and percussion, this extremely talented group of Soldier-Musicians carries on the traditional sounds of brass bands from the ‘Crescent City’ while incorporating our own unique style and flavor. Influenced by world-renowned American brass bands such as ‘Rebirth,’ ‘Newbirth,’ ‘Hot 8,’ and ‘Youngblood,’ the Biohazard Brass Band’s broad range of tunes caters to any and all age groups. We guarantee a toe-tapping good time everywhere we perform. The group has the capability of performing as a mobile ensemble or stationary element, making it one of the most versatile MPT’s in the Army Bands inventory.

The group is ideal for telling the Army story through musical performances for high schools, colleges, theme parks, fitness events, community events, festivals, and official military ceremonies. All events are free and open to the public.

A sampling of repertoire includes:

- 'Thriller' - Michael Jackson*
- 'Do Watcha Wanna' - Rebirth Brass Band*
- 'Poker Face' - Lady Gaga*
- 'Brooklyn' - Youngblood Brass Band*
- 'Party Rock' - LMFAO*
- 'A.P. Touro' - Rebirth Brass Band*
