

U.S.

ARMY

NORTH

Army North's strength is its constant readiness to respond to a multitude of potential disasters and threats to the Nation. This command enables others to be successful. All Americans can be confident that when we are called, Army North will respond.

Joint Task Force – Civil Support includes members of all services as well as Civilian employees to manage the consequences of Chemical, Biological, Radiological, Nuclear and high-yield Explosive catastrophes across the U.S.

Joint Task Force – North provides military support to the nation's law enforcement agencies within the U.S. Northern Command Area of Responsibility.

U.S. Army North provides military support to the primary federal agency when conducting Defense Support of Civil Authority operations.

U.S. Army North's Civil Support Training Activity is responsible for training the National Guard Weapons of Mass Destruction Civil Support Teams.

U.S. Army North works closely with the Canadian and Mexican militaries in support of Theater Security Cooperation to secure the land approaches to the homeland.

U.S. Army North's Defense Coordinating Officers and Defense Coordinating Elements operate across the United States in the 10 Federal Emergency Management Agency regions.
