

COL HEATH C. ROSCOE

Defense Coordinating Officer

FEMA Region X

United States Army North (Fifth Army)

COL Heath C. Roscoe hails from the small town of Transfer located in Western Pennsylvania. He was commissioned in the Army Corps of Engineers on 31 May 1990 from the United States Military Academy, West Point, New York. He earned a Bachelors of Science Degree in Environmental Science from the United States Military Academy and a Masters of Science Degree in Environmental Engineering from Pennsylvania State University, State College, Pennsylvania. He is also a graduate of the Joint Forces Staff College, Norfolk, Virginia; the Army Command and General staff College, Ft. Leavenworth, Kansas; and the Engineer Officer Basic and Advanced courses, Fort Leonard Wood, Missouri. In 2013, he attended the National Security Program at the Harvard Kennedy School of Government as an Army War College Fellow. He is a licensed Professional Engineer for the State of Delaware and recently served as the Chief of Staff, Maneuver Support Center of Excellence at Fort Leonard Wood, Missouri prior to assuming the Chief of Officer Readiness Division, Human Resource Command at Fort Knox, Kentucky.

COL Roscoe's previous assignments include overseas service in Baumholder, Germany from 1991-1994 in the 40th Engineer BN. He also served overseas in the Republic of South Korea from 1994-1997 where he served as a Company Commander in the 2nd Engineer BN at Camp Castle. COL Roscoe went on to the United States Military Academy as an instructor in the Department of Geography and Environmental Engineering from May 1997 to July 2002. He then deployed twice from Fort Lewis in support of Operation Iraqi Freedom with the 3rd Stryker Brigade, 2nd Infantry Division in 2003 as the Brigade Engineer in Mosul, Iraq and then with the 555th Engineer Brigade as the Brigade S3 in 2006 in Tikrit, Iraq. COL Roscoe took command of the 19th Engineer BN at Fort Knox, Kentucky in February 2008 and deployed with the unit in support of Operation Enduring Freedom from April 2009 to April 2010 in Regional Command South, Afghanistan. After battalion command, he served as the Engineer Branch Chief for Human Resources Command at Fort Knox, KY from 2010-2012. COL Roscoe took command of the 36th Engineer Brigade at Fort Hood, TX and deployed with the unit in support of Operation United Assistance in November 2014 to Liberia in West Africa to contain the Ebola Virus Disease.
